this book provides an in depth analysis of representations of female murderers in modern american drama paying close attention to the plays plot form and style the

study seeks to come to terms with the dramatic and cultural function of this phenomenon given the rarity of female murder in real life the popularity and prevalence of this theme in culture is striking and unsettling at the same time after all a woman who kills not only violates against basic social rules but also upsets gender norms this potential to break with an ideology that rests on hierarchically structured gender binaries equips the figure of the female murderer with the power to symbolically kill established views about gender and sexuality it is this ideologically disruptive potential that makes the female murderer a fascinating object of study as her cultural figuration may provide information about the meaning assigned to women at a certain historical moment

irene schoene puts forward an alternative economics that is not only relevant to our modern world of technology and industry but which also shows an awareness of environmental considerations

Right here, we have countless books **Aimprint Paperback** and collections to check out. We additionally allow variant types and plus type of the books to browse.
